PORTÉGÉ Z30 New Series

Thin, Light, Stylish

The Portégé Z30 features a perfect balance of trendsetting style and precision engineering with its 13.3-inch touchscreen display, complete set of full-size ports, and RAM expandability of up to 16GB. All this and more is packed into a slim, shock-absorbing laptop that incredibly weighs only 1.12kg. It features a docking port, so you can connect to it as many devices as you want, and Accupoint for convenient navigation. With an improved cooling technology, a high-performance Solid State Drive and Intel® Rapid Start Technology, the Portégé Z30 has a long battery life that can last up to ten hours on a single charge, providing you with the speed you need.
