

Satellite L40T Touch Screen New Series High performance in your touch

The Satellite L40T Touch Screen is a high performance with touch screen. richly featured, highly reliable and packed with flexible options, it delivers great value from day one. There's plenty of power in and around this quality business laptop, from Intel® processors to full connectivity options. Yet the L40T is beautifully thin and light enough to carry with ease. So you get the best of everything. A reliable work centre with all the advanced multimedia features to meet your everyday demands. And the flexibility of a laptop from a brand that's known for its business quality. Even down to the smallest details, like the non-reflective touch screen and large multi-touch clickpad, the 14.0" L40T is professional through and through.
