Satellite Pro A40

>>> Designed to cope with every business situation, each Satellite Pro model provides power, reliability and easy-to-use controls.

Desk-based excellence

With the Satellite Pro A40-C's full-size keyboard, you can type documents or communicate with colleagues silently and precisely. And when it comes to reviewing creative work, the full-size, non-CSV HD or Full HD display delivers you vibrant clarity, even in bright sunlight – so you'll never need an external monitor. You can even choose the drive that suits you – whether it's a traditional Hard Disk Drive (HDD) or a Solid State Drive (SSD) – so you get to make the right choice between speed and storage capacity.

Mobile brilliance

The easy to carry, 35.56 cm (14") Satellite Pro A40-C makes working on the move just as productive as being at your desk. Get things done outside with the optional high brightness, non-reflective IPS panel, and connect quickly and easily wherever you are using built-in best-in-class Intel® Wi-Fi. With a range of full size ports and Intel® WiDi, you can connect, collect, share and store information with ease in any business situation – whether you're presenting at a client's office, or working in the library.

The security business needs

Designed to be super-accessible in the right hands, and super-secure in the wrong ones, the Satellite Pro A40-C combines outstanding usability with exceptional security features. With its optional SSD, the A40-C boots up and hibernates as quickly as you need it to – so it's always ready to go. And because you can set the A40-C to require both your fingerprint and smartcard to log in, the laptop offers extra security with convenience too.

Reliability guaranteed

To increase your confidence in the Satellite Pro A40-C even further, we've add it our Reliability Guarantee; so in the unlikely event that it breaks down, we'll give you a free repair AND a full refund*. With H.A.L.T. (Highly Accelerated Life Test) performed by the independent institute, TÜV Rheinland – it means you can be sure it's built to last, even taking into account the bumps and scrapes that come with agile working.

*Should your laptop break within one year of purchase according to the Terms and Conditions. Full details at www.toshiba.eu/reliability

Pressure tested

Spill resistant

Drop tested

Investment protection

The Satellite Pro A40-C is a device you can rely on, from a partner you can trust. Toshiba understands the demands of daily work. With 30 years of notebook development, we are able to assure customers of quality that's built to last – backed up by our Reliability Guarantee.

Certified Eco-friendly

Take control of your environmental impact with Toshiba's EPEAT certified Satellite Pro A40-C, complete with built-in Eco Utility. Quickly and easily customise your computer settings to maximise power efficiency, minimise energy consumption, and reduce the impact your work has on the planet. You can even take part in our Carbon Zero* programme, and offset the entire carbon footprint of your laptop.

*Carbon Zero available in UK only.

SATELLITE PRO A40 Series	
Satellite Pro A40-C-109 PART NUMBER: PS461E-00J040EN – Color: Graphite Black	
Processor	6th generation Intel® Core™ i5-6200U processor with Intel® Turbo Boost Technology 2.0 clock speed : 2.30 / 2.80 Turbo GHz 3rd level cache : 3 MB
Operating System	Windows 7 Professional (available through downgrade rights from Windows 10 Pro on DVD)
System Memory	standard : 4,096 (1x) MB maximum expandability : 16,384 MB technology : DDR3L RAM (1,600 MHz)
Hard Disk	capacity : 500 GB, drive rotation : 7,200 rpm
Optical Drive	compatibility : CD-ROM, CD-R, CD-RW, DVD-ROM, DVD-R, DVD-R(DL), DVD-RW, DVD+R, DVD+R(DL), DVD+RW, DVD-RAM maximum speed : Read: 24x CD-ROM, 8x DVD-ROM/ Write: 24x CD-R, 4x CD-RW, 10x HS CD-RW, 16x US CD-RW, 8x DVD-R, 6x DVD-R (Double Layer), 6x DVD-RW, 8x DVD+R, 6x DVD+R (Double Layer), 8x DVD+RW, 5x DVD-RAM type : Slim DVD Super Multi (Double Layer) drive
Display	size : 35.6cm (14.0") type : Toshiba HD non-reflective display with 16 : 9 aspect ratio and LED backlighting internal resolution : 1,366 x 768
Graphics Adaptor	type : Intel® HD Graphics 520, memory type : shared
Internal Video Modes	The following internal video modes are supported : resolution : 1366 x 768
Interfaces	1 × external Headphone (stereo) / Microphone combo socket 1 × HDMI-out supporting 1080p signal format 1 × RGB 1 × RJ-45 1 × SD™ card slot (SD™, SDHC™, SDXC™ supporting UHS-I, MMC) 3 × USB 3.0 (one supporting USB Sleep-and-Charge with Auto mode detection) 1 × integrated 2.0MP FHD Web Camera (1,980 x 1.080) with built-in dual microphone
Expansion	2 × memory slots
Wireless Communication	Wireless Technology : Intel® WiDi and wireless display ready Manufacturer : Intel®

	Wireless Technology : Bluetooth® 4.0 + LE Version : 4.0 + LE Compliance : Wi-Fi™ Network Support : 802.11ac + a/b/g/n Manufacturer : Intel® Wireless Technology : Wireless LAN Version : Intel® Dual Band Wireless-AC 8260
Wired Communication	topology : Gigabit Ethernet LAN speed : 10BASE-T/100BASE-TX/1000BASE-T
Sound System	supported audio format : 24-bit stereo speakers : built-in stereo speakers, enhanced by DTS® Studio Sound™
Keyboard	keys : 87 Windows keys : Yes special features : Black tile keyboard
Pointing Device	type : Multi-gesture Touchpad with auto-palm rejection
Battery	technology : Replaceable lithium-ion, 4 cell maximum life : up to 8h00min (Mobile Mark™ 2014 running Win10)
AC Adaptor	input voltage : autosensing AC adapter (100/240 V) for worldwide usage output voltage : 19 V output current : 2.37 A
Physical Dimensions	W x D x H : 340.1 x 244.1 x 23.8 mm, weight : starting at 1.75 kg
Bundled Hardware	AC adaptor
Special Features	3D Acceleration sensor Advanced Encryption (TPM 2.0) HDD password on request slot for Kensington Cable Lock supervisor password user password
Security Features	ENERGY STAR qualified computer
